2021-2022 Application Guidance to Create a School Board-State Board Model Charter School

Guidance for Charter Schools Wishing to Open in
School Year 2022-2023

Introduction

This application guidance provides local school board founding groups¹ with information about, and instructions for, submitting an application to the Iowa State Board of Education (State Board) to create a School Board-State Board model charter school within and as a part of the school district by establishing a new attendance center (i.e., school building), creating a new school within an existing attendance center, or converting an existing attendance center to charter status.

Background

In May 2021, Governor Reynolds signed two bills into law that affect the development and operations of new charter schools in Iowa. [House File \(HF\) 813](#) establishes, and [HF 847](#) amends, procedures for new charter schools—or those authorized by the State Board on or after July 1, 2021, to open no earlier than the following school year—under Iowa Code chapter 256E. In addition, in November 2021, the State Board adopted new and amended charter school rules under [Iowa Administrative Code chapter 19](#) to reflect the legislative changes. These rules (effective January 19, 2022) are reflected in the application requirements.

Purposes of Charter Schools

Charter schools are a part of the state's public education program. Iowa Code outlines the following purposes of charter schools:

- Improve student learning, well-being, and postsecondary success.
- Increase learning opportunities for students in areas of need, including but not limited to science, technology, engineering, and math (STEM), and science, technology, engineering, arts, and math (STEAM).
- Increase opportunities for work-based learning, early literacy intervention, and serving at-risk populations.
- Accelerating student learning to prevent learning loss during the COVID-19 pandemic and other significant disruptions to student learning.
- Encourage the use of evidence-based practices in innovative environments.
- Require the measurement and evaluation of program implementation and learning outcomes.
- Establish models of success for Iowa schools.
- Create new professional opportunities for teachers and other educators.

¹ For the purposes of this model, the term “founding group” should be taken to mean a person or group of persons that develops and submits a charter school application to the State Board.

- Investigate and establish different organizational structures for schools to use to implement a multi-tiered system of supports for students.
- Allow greater flexibility to meet the educational needs of a diverse student population and changing workforce needs.
- Allow for the flexible allocation of resources through implementation of specialized school budgets for the benefit of the schools served.
- Allow greater flexibility for districts and schools to focus on closing gaps in student opportunity and achievement for all students from preschool through postsecondary preparation (Iowa Code § 256E.1(3), as amended by the 2021 Iowa Acts, HF 813).²

Technical Assistance Available by Request

It is strongly encouraged that applicants contact the Iowa Department of Education (Department) to receive technical assistance before completing the application. If the local school board founding group wishes to utilize technical assistance, it must contact Janet Boyd at janet.boyd@iowa.gov or 515-745-3385 before application submission. Once an application is submitted, it is considered final, and no additional changes will be accepted.

Application Requirements

For an application to be reviewed, the local school board founding group must complete and submit one of the approved application forms (see the following Forms section) by the established application deadline:

- For a charter school proposed to open in the 2022-2023 school year, the local school board founding group must submit its charter school application by February 1, 2022, by 11:59 pm (Iowa Admin. Code r. 281—19.6(5)).
- For a charter school proposed to open in the 2023-2024 school year (or later), the local school board founding group must submit its charter school application by November 1, 2022 (or November 1 of the preceding school year) by 11:59 pm (Iowa Admin. Code r. 281—19.6(5)).

The local school board founding group's application must:

- Demonstrate its academic and operational vision and plans for the proposed charter school,
- Demonstrate its capacity to execute the vision and plans, and
- Provide the State Board a clear basis for assessing its plans and capacity (Iowa Code § 256E.4(1), as amended).

Forms

The local school board must submit an electronic [Charter School Application Form: School Board-State Board Model](#)—which expedites the review and, if necessary, can be saved to the applicant's Google account and completed over several sessions—or its [paper version](#) to the Department for review. If wishing to submit a paper version of the form, the local school board founding group must submit the completed application form, and all its attachments, via email to ruth.jones@iowa.gov or by mail to:

Iowa Department of Education
Attention: Ruth Jones
400 East 14th Street
Des Moines, Iowa 50319-0146

² Unless otherwise written, from this point forward, “as amended” should be taken to mean “as amended by the 2021 Iowa Acts, HF 813.”

Application Review Procedures

Review requirements for the Department (on behalf of the State Board) include:

- Thoroughly evaluating the application using review procedures, practices, and criteria consistent with nationally recognized principles and standards;
- Conducting an in-person interview with the local school board founding group; and
- Providing, in a public forum, an opportunity for local residents to learn about and provide input on the proposed charter school's application (Iowa Code § 256E.4(6), as amended).

DEPARTMENT EVALUATION

At least three Department staff will review the application and provide a recommendation to the State Board regarding whether to approve (with or without conditions) or deny the establishment of the charter school. For the evaluation portion of the review, evaluators will rate each question against the minimum application criteria (see the following Application Content and Criteria section). Each response will be assigned a point value between zero and three points (see Table 1) based on the level of competence demonstrated (i.e., the level at which the question's minimum criteria are met).

Table 1. Question Response Point Assignments.

| Point(s) | Competency Level |
|----------|---|
| 0 | Response <u>does not demonstrate competence</u> required in the question. |
| 1 | Response <u>demonstrates minimal or moderate competence</u> required in the question. |
| 2 | Response <u>demonstrates full or exemplary competence</u> required in the question. |

RECOMMENDATION TO THE STATE BOARD

For the application to be recommended for approval, each question response must receive a summed score (i.e., the sum of all evaluators' scores) of at least one. An application with a summed score of zero on any question will not be recommended for approval because it does not meet the minimum criterion (or criteria) required to open and operate a successful charter school.

STATE BOARD APPROVAL OR DENIAL

Based on the recommendation of the Department, the State Board must:

- Approve a charter school application only if the applicant has demonstrated competence in each element of the State Board's published approval criteria and is likely to open and operate a successful charter school;
- Make application decisions on documented evidence collected through the application review process; and
- Adhere to the policies and criteria that are transparent, based on merit, and avoid conflicts of interest or any appearance thereof (Iowa Code § 256E.4(7), as amended).

The decision to approve or deny the establishment and operation of a charter school must be within 75 calendar days after the application is received. An approval decision may include, if appropriate, reasonable conditions that the founding group must meet before a charter school contract may be executed pursuant to Iowa Code section 256E.6 (Iowa Code § 256E.4(7), as amended).

Approval

If an application is approved, the State Board must execute a charter school contract with the local school board founding group within 30 days after State Board action (Iowa Code § 256E.4(8), as amended). If the

application is approved with conditions, the local school board founding group must meet all conditions imposed on their application before a charter school contract is executed.

Denial

If an application is denied, the State Board must notify the local school board founding group, in writing, of application denial within 30 days after the State Board's action. The notice must specify the exact reasons for the denial and provide documentation supporting those reasons. The decision of the State Board is final and not appealable, but an unsuccessful applicant may subsequently reapply to the State Board (Iowa Code §§ 256E.4(8)-(10), as amended; Iowa Admin. Code r. 281—19.6(4)).

Charter School Contract Performance Framework

The charter school contract must include performance provisions that clearly set forth the academic and operational performance indicators, measures, and metrics that will guide the State Board's evaluation of the charter school without compromising individual student privacy. Iowa Administrative Code subrule 19.10(1) requires the performance framework to include:

- a. Student academic growth and proficiency in English language arts on statewide outcome assessments.
- b. Student academic growth and proficiency in mathematics on statewide outcome assessments.
- c. Achievement gaps in both proficiency and growth on statewide outcome assessments between specified populations or groups of students, including groups based on gender, race, poverty, special education status, limited English proficiency, and gifted status.
- d. Benchmark status on early literacy approved screening measure(s) in grades kindergarten through three.
- e. Attendance.
- f. Conditions for learning data (as required by Iowa's state plan under the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act).
- g. Enrollment attrition and mobility.
- h. Postsecondary readiness for students in grades nine through 12.
- i. Goals specified in the charter school's mission.
- j. Financial performance and sustainability.
- k. Governing board performance and stewardship, including compliance with all applicable laws, regulations, and terms of the charter contract.

Iowa Public Charter School Program Assurances and Conditions

Assurances

If the local school board founding group is unable to assure compliance with any of the following assurances, the application will not be approved. Later discovery of failure to adhere to any of the assurances may be basis for the State Board to rescind approval.

The proposed charter school assures that:

- A. It will meet all applicable federal, state, and local health and safety requirements and laws prohibiting discrimination based on race, creed, color, sex, sexual orientation, gender identity, national origin, religion, ancestry, or disability. If approved, the charter school will be subject to any court-ordered desegregation in effect for the school district at the time the charter school application is approved, unless otherwise specifically provided for in the desegregation order.
- B. It will operate as a nonsectarian, nonreligious school.
- C. It will be free of tuition and application fees to Iowa resident students between the ages of five and 21 years.
- D. It will comply with chapters 216 and 216A relating to civil and human rights.
- E. It will provide special education services in accordance with chapter 256B.
- F. It understands that it is subject to the same financial audits, audit procedures, and audit requirements as a school district. The audit must be consistent with the requirements of sections 11.6, 11.14, 11.19, and 279.29, and section 256.9, subsection 20, except to the extent deviations are necessary because of the program at the school. The Department, the auditor of state, or the Legislative Services Agency may conduct financial, program, or compliance audits.
- G. It will comply with the requirements of section 256.7, subsection 21, and the educational standards of section 256.11, unless specifically waived by the State Board during the application process.
- H. It will provide instruction for at least the number of days or hours required by section 279.10, subsection 1, unless specifically waived by the State Board as part of the application process.
- I. It will comply with the requirements of chapter 256E.
- J. Its governing board meetings will be conducted in a manner that is open to the public. The governing board will be a governmental body for purposes of chapter 21 relating to open meetings.
- K. It understands that all records, documents, and electronic data of the charter school and of the governing board—its governing body for purposes of chapter 22—will be public records and are subject to the provisions of chapter 22 relating to the examination of public records.
- L. It will employ or contract with teachers as defined in section 272.1, who hold valid licenses with an endorsement for the type of instruction or service for which the teachers are employed or under contract.
- M. It will have a chief administrator that is one of the following:
 - An administrator who holds a valid license under chapter 272,
 - A teacher who holds a valid license under chapter 272, or
 - An individual who holds an authorization to be a charter school administrator issued by the Board of Educational Examiners under chapter 272.³
- N. It will not discriminate in its student admissions policies or practices based on intellectual or athletic ability, measures of achievement or aptitude, or status as a person with a disability. However, a charter school may limit admission to students who are within a particular range of ages or grade levels or on any other basis that would be legal if initiated by a school district.
- O. It will give enrollment priority to the siblings of students enrolled in a charter school.
- P. It will enroll an eligible student who submits a timely application unless the number of applications exceeds the capacity of a program, class, grade level, or building. In this case, students must be accepted by lot.

³ The Board of Educational Examiners must adopt rules for the issuance of such authorizations not later than December 31, 2021, and such authorizations must only be valid for service or employment as a charter school administrator.

- Q. It will, upon enrollment of an eligible student, notify the public school district of residence not later than March 1 of the school year preceding the year of enrollment.
- R. It will adopt a conflict-of-interest policy and a code of ethics for all board members and employees.
- S. It will adopt a policy regarding the hiring of family members to avoid nepotism in hiring and supervision. The policy must include but is not limited to a disclosure to the governing board of potential nepotism in hiring and supervision. Any person subject to the policy with a conflict must not be involved in the hiring decision or supervision of a potential employee.
- T. It will prohibit individuals compensated by an education service provider from serving as a voting member on the governing board unless the State Board waives such prohibition.
- U. It will have a majority of the membership of the governing board be residents of the geographic area served by the charter school. Each member of the governing board who is not a resident of the geographic area served by the charter school must be a resident of Iowa.
- V. It will post the charter school's annual budget on the charter school's website for public viewing within 10 days of approval of the budget. Each posted budget must continue to be accessible to the public on the website for all subsequent budget years (Iowa Code § 256E.7(2)-(11), as amended by the 2021 Iowa Acts, HF 847).

Conditions

REPORTING

To meet the data reporting requirements, including student enrollment and performance information needed for the performance framework, charter schools must use a student information system that will transmit information to the Department that is compliant with the School Interoperability Framework (SIF) education data standard (Iowa Admin. Code r. 281—19.10(3)).

NON-DISCRIMINATION

Iowa Code section 256E.7, subsection 4, as amended, states that a charter school cannot discriminate in its student admissions policies or practices based on intellectual or athletic ability, measures of achievement or aptitude, or status as a person with a disability. However, a charter school may limit admission to students who are within a particular range of age or grade level or on any other basis that would be legal if initiated by a school district. Enrollment priority must be given to the siblings of students enrolled in a charter school.

Certification

The following individuals must certify the application before submission:

- School district superintendent,
- School district school board president,
- School district authorized representative, and
- Charter school developer or contact.
